## *150<sup>th</sup> Anniversary Kick Off – St. John's Day Celebration*

**When:** June 28, 2009 after the 11 AM Mass

**Where:** Parish Office Pavilion, between Parish Office and School.

We'll celebrate indoors if the weather does not cooperate.

**Why:** To celebrate our Parish Patron, St. John the Baptist

All are invited to join in an afternoon of fun, food, and fellowship. Grill-out foods will be served.

A history display will be on site and members of the Anniversary Committee will be on hand to get your input, ideas, and capture any memories you wish to share.

### **Check Out Our Anniversary Blog**

Read stories, fun facts, and interesting tidbits about the history of St. John's on our new blog at [www.stjohns150.wordpress.com](http://www.stjohns150.wordpress.com). We need your help! Each week we hope to feature something new, so we'd love to share your special memories of our beloved parish. Be a part of history; visit the blog to learn more. We thank **Cara Reeves** for putting together this opportunity.

### ***Slogan, Logo Created to Honor Anniversary***

After careful consideration of a number of ideas, we want to thank **Shannon Hart** for her creative effort in providing a key element to our celebration. The logo you see on this page will adorn banners and much of our publicity efforts over the next year. Thank you Shannon!

### **Can You Help?**

#### **It's A Mystery!**

Pastoral Council records of the late 1990's indicate a video was made of the new church dedication. This tape was reported to contain some historical information. Apparently, not many copies were made. If you have a copy or know someone who does, please contact **Carolyn Engel** at 741-7406. Thank you.

#### **Videographer Needed**

We are looking for a videographer to assist with a 150<sup>th</sup> anniversary project still in development for later this year. Please contact **Janet Geier** at 385-8265 if you can help.
