We buy certificates from local grocery stores, restaurants, department and specialty stores at a discount and sell them to you at face value. The difference is the profit our school gets to keep! It's free money for only a few minutes of your time!

Gift Certificates & Gift Cards

Purchase certificates and cards...

- Before or after weekend Masses.
- At the Parish Office basement each Thursday between 9 and 10 a.m.
- **By Wednesday of each week**, call our hotline to place your order, fax in your order to 385-1583, or drop this form in the Shopping Cent\$ box in the Church Gathering Space. Volunteers process these on Thursday mornings. Your order is available for pickup that morning or before or after Masses that weekend. Pay at the time of pickup.

A note about special order certificates...

All certificates are ordered from our supplier on Sundays. Fax or call in your special request by Sunday and will we order those certificates from our supplier. Your order will be ready for pick on Thursday or before or after weekend Masses.

Pay for your certificates by...

- Cash
- Check (\$35 fee for returned checks) **Please make checks payable to Shopping Cent\$.**
- Credit Cards - Visa, Mastercard, and Discover. **Your street address, zip code, and VIN# (3 digit code on the back of the card near the signature line) are all necessary when processing your credit card.** As a fundraising program we have to be careful not to lose money on a sale. Credit card processing costs us up to 3%. If a store only gives us 3% or less of each sale, we would lose money on that sale if paid by a credit card. Such stores have an asterisk after the name (*).

Order certificates through school!

Order forms go home with your child in the Blue Jay Folders. Return the completed form, including Customer Information, and payment with your child by Thursday. Teachers gather the forms and our volunteers fill the order and return it to your child's teacher for delivery to home that day. Remember to check school folders!

Is there anything else I should know about Shopping Cent\$?

- Stores and certificate amounts may change with little notice.
- Our primary supplier, Great Lakes Scrip, deals with so many retailers that we cannot list all that are available locally. Check their retailer list at www.glscrip.com. See something you like? Call the Hotline and let us know.
- Backorders can occur especially around Christmas. Order early!
- If an asterisk (*) appears next to a store name, cash or check is preferred due to our credit card process fees.
- \$35 Fee for returned checks.
- Your street address, zip code, and VIN# (3 digit code on the back of the card near the signature line) are all necessary when processing your credit card.
